## WHAT IS INCLUSION?

**Nick Whittaker**  
**HMI, Specialist Adviser, SEND,**  
**10 September 2018**

(Inclusion) means identifying, assessing and meeting their needs well and making sure they are achieving their potential.

At the heart of this is removing the barriers that get in the way of children who have SEN and/or disabilities being fully included in all areas of school life.

**TMBSS OFSTED report October  
2023**

‘Staff work hard to find out what pupils can do and those areas they need more help with. Plans are focused on developing the knowledge and skills that pupils need to be successful. Barriers to learning and life are understood, and interventions are precise and well planned.’

## The Tuition, Medical, Behaviour Support Service (TMBSS) and TMBSS PRIMARY INCLUSION SUPPORT

TMBSS is a Community School, maintained by Shropshire Council. We are a referral led service.

The Service exists to meet the needs of students aged between 5 and 16 countywide, who require a short-term intervention. The reasons include medical needs, permanent exclusions, moving into the county or those students directly commissioned by their mainstream school.

Our key purpose is to provide a high-quality learning experience appropriate to the needs of the individual student. This will enable them to make good progress in their learning and personal development and restore self-confidence and enjoyment.

# TMBSS PRIMARY INCLUSION SUPPORT -

supporting education staff, parents/carers and young people in maintaining school placements

The aim of TMBSS Primary Inclusion Support is to support schools in managing the social, emotional, mental health and learning needs of young people to enable them to maintain successful placements in their mainstream schools.

The TMBSS Inclusion Support Team consists of staff currently working at TMBSS Primary, who previously worked in mainstream settings. They are able to draw upon their wealth of experience, training and expertise of supporting young people, staff and parents/carers to provide practical advice and strategies.
