Computing	Creating a Multimedia Presentation How the internet works / staying safe online	Creating a Stop Motion animation Programming	Creating music electronically How computers work
PE	Ball Skills Gymnastics	Tag Rugby Dance	Cricket Athletics
RE, RSE & PSHE	<p>In 2014 Religious Education moved from a subject that was perceived as providing answers to one that is fundamentally about the exploration of questions. This was maintained in the review of the Shropshire Agreed Syllabus in 2019. Due to time restraints related to the amount of time pupils spend at Harlescott Education Centre Religious Education is not taught as a stand-alone subject and is instead incorporated into a weekly assembly session. The content of this session is timetabled to provide a breath of study including Christianity and other world religions ensuring we are preparing our students for life in modern Britain. In addition, we link these sessions to British Values as required in the DFE legislation in 2014 stating that school must teach the British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs. Where appropriate there may also be a Social and Emotional Aspects of Learning (PSHE) focus.</p>
