

KS3 'Working Towards' Route Map Years 7/8 & 9

This is a rolling scheme of work with each topic increasing in difficulty over the three year period.

Y7 & 8 have a weekly mental strategy and times timetable focus embedded into the scheme of work which are tested weekly with a Numeracy Ninja test.

In Y9 Students are expected to complete three Numeracy Ninjas per term and have regular assessments to ensure learning has been consolidated.

SEPTEMBER		OCTOBER			NOVEMBER
