

### KS3 Combined science Programme

17 topics

2 weeks (5 or 6 lessons) each topic

Topic	Activate book	Schedule
Cells	1	Autumn term, first half
Atoms, Elements, Compounds	1	
Forces and Motion	1 + 2	
Enrichment: STEM activity/Unit award		
Body Systems	1	Autumn term, second half
Reactions	1	
Sound	2	
Enrichment: STEM activity/Unit award		
Reproduction	1	Spring term, first half
Acids and Alkalis	1	
Light	2	
Enrichment: STEM activity/Unit award		
Health and Lifestyle	2	Spring term, second half
Genetics and immunity	3	
Space	1	
Enrichment: STEM activity/Unit award		
Food Chains and Ecosystems	2	Summer term, first half
Separation Techniques	2	
Electricity and Magnetism	2	
Enrichment: STEM activity/Unit award		
Adaptation and Inheritance	2	Summer term, second half
Energy and Pressure	2
