TUITION, MEDICAL & BEHAVIOUR SUPPORT SERVICE

The appointment is to the Tuition, Medical & Behaviour Support Service (Pupil Referral Unit) which provides education, based at six Education Centres, for pupils who, by reason of illness, exclusion or otherwise, are being educated out of school. The Service caters for pupils in KS1 to KS4 who have a wide range of needs and were rated 'Good' by Ofsted in our Inspection in October 2023. It also provides teaching support in two hospitals, individual teaching, and shared placement provision for pupils in mainstream schools. Children are referred via a multi-agency panel. The main work of the Service is to include and reintegrate into the child's original or another mainstream school where possible or work towards a suitable long-term placement.

If you are seeking a challenge and think you can make a difference TMBSS has a vacancy for a Learning Mentor to work in our primary provision at Harlescott Education Centre.

The successful applicant will work alongside teaching staff delivering an educational programme including core subjects, PSHE, reintegration support and sports and leisure activities.

Good organisational skills are required to support teachers in general administrative tasks, preparation and record keeping.

If you are friendly, approachable, and passionate about supporting children and young people with additional needs, we welcome your application.

This post is exempt from the Rehabilitation of Offenders Act and as such, all applicants who are appointed to this post will be subject to an Enhanced Disclosure and appropriate pre-employment checks before the appointment is confirmed.
